To our Momma

My Mother taught me everything, except how to live without her

To our Nanny

Of all the special gifts in life

however great or small,

To have you as our Nanny was the greatest gift of all.

May the winds of love blow softly

and whisper in your ear

We love you and miss you Nanny

And wish that you were here

Deep in our hearts, your life is kept to love and cherish, not forget. No more  
tomorrows we can share

But yesterday's are always here.

A silent thought , a secret tear keeps your memory near in our hearts forever

“ *It's been a long time since I've seen Lynn but I would hang out with her everytime I came down for a visit to see Billy and Mary. She always made it a point to continuously say or do something to make me laugh. I'm really sad to hear of her passing. My thoughts and prayers are with you all.*
