“*My Heavens, My Aunt Vicky, I remember July 14, 2011..she picked me up for a Dr's appointment, brunch and to go by maternity clothes for my birthday. I was 23 weeks pregnant. She said "Jacqueline, you just don't look good this morning. I said I'm fine I think I have a kidney infection. She said call your OB-GYN." So I did he directed me to go to the ER for a check-up... Thank God for my Aunt Vicky! We got to USA Women's and Children's...I went into triage, my water broke, I had him about 90 second later. If wasn't for her, I wouldn't have my 12 year old Thomas Wesley now. She was one of my Best Friends! I am devastated and miss her dearly already!*
