“ My Mimmy was an amazing person. I loved her more than you can imagine. She always knew how to make me smile even if i was in the worst of moods. She would hold me and brush my hair telling me to tell her my problems that she was there, and everything will be alright. She was my rock my most special person! She was here for me since day one, and ill always be grateful for the time and memories we share. I know that you will always watch over me and i do believe that but missing you is honestly the worst pain ive had to endure. I love you and tell grandma and grandpa hello and hug joey for me! till we meet again!

Ill love you forever Ill like you for always as long as I'm living my mimmy you'll be!

- love you forever
