

Ms. Virginia Ruth Keck

March 1, 1951 - November 20, 2024

It is with great sadness that we announce the passing of my beloved sister, Virginia Keck, who passed away on November 20th, 2024, at the age of 73 due to a long battle with Parkinsons Disease.

Ginny, as she was fondly known, was born on March 1st, 1951, in Charleston, SC to Jim and Miriam Ferguson. She grew up in Mobile, AL alongside her siblings, and attended Davidson High School, and the University of South Alabama where she graduated with a master's degree in childhood education.

Ginny was a loving sister and friend, always willing to lend a helping hand and a listening ear. Her warm personality, infectious smile, and generous heart made her an instant favorite among all who knew her. She had a passion for teaching, which she shared with her former students, family and friends.

Despite facing many challenges in her life, Ginny remained resilient and persevered through it all. She was a fighter till the end, and her unwavering zest for life is an inspiration to us all.

Ginny is survived by her brother, Steve Ferguson, her nieces and nephews, and a host of other relatives and friends.

Her life will be celebrated in a private service with her brother in Arkansas. We will miss Ginny dearly but take comfort in the fact that she is now in a better place, free from pain and suffering. For all who loved her, know that she is finally no longer afraid and truly safe. May her soul rest in eternal

peace.

“ *I student taught with Ginny as my mentor, and she was a phenomenal teacher. We became very good friends, and she is my son's godmother. We fell out of touch, but she continues to hold a special place in my heart. My deepest condolences.*
