“ Missing you endlessly down here Mom! You were the best mother, best friend & NannyBooBoo I could’ve ever asked for in this life! There’s not a minute that passes by that you’re not on our minds, you were taken far too soon but I will forever be grateful for the time me and the kiddos got to spend with you! You were truly one of a kind and we will continue missing and loving you bunches forever... until we see you again! ❤️ ☐
