“ My name is Steve Reigrod and Tate was a friend of mine for over 35 years. We had a lot of great times, especially at our hunting camp. Well I just wanted you to know how sorry I am about his passing. I will always miss him and his humor. Someone call me and let me know where he is buried 251-487-3723

thank you Steve, Butch -Tate- loved that hunting camp. he talked about it all the time. He was cremated . Me and ur cousin Tony took his ashes to our home town in MS and spread them with his mother and the rest of our family buried there. I have a small box with some more of his ashes that I am going to take to a farm he liked to visit here in TN. thank you for being his friend
