

Mr. William James Pierce

March 18, 1963 - September 5, 2022

William James “Billy” Pierce passed away on September 5, 2022 at the age of 59, in his hometown of Theodore, Alabama after a long fought battle with liver cancer.

Billy was predeceased by his father Eugene ‘Shepard’ Pierce, mother Louis Pierce, brother Buddy Wall, sister Ruby Salva, and sister Marsha Pierce. He is survived by his wife Norma as well as his children William ‘Billy’ (Ashley) Pierce, Wendy Webb, and Brandon (Erica) Webb. He also left behind seven wonderful grandchildren: Tristin, Cole, Macy, Sailor, Jade, Paisley, and Preston.

Billy was an avid fisherman and hunter. He spent many of his adolescence years on the water. If he was not working he was looking for a reason to go fishing. Though he had a passion for the outdoors, nothing surpassed his love for family. He will forever be remembered as a man of family value. Blood relatives and non-blood relatives meant the world to Billy!

Billy will be honored in a celebration of life on September 12, 2022 at Cottage Hill Memorial Funeral Home. Visiting hours are from 3 – 6 pm, with ceremonies starting at 6pm.

“ This is Uncle Billy in 2003 at my wedding. He looked so nice and wore the monkey suite(tux) lol As much as he hated to dress up he honored me by helping. There so much I could say about Uncle Billy, all that knew him knew his great laughter, since of humor, kindness and willingness to help you. More than anything we all knew his great love for my grandparents ,family, friends and let's not forget fishing. I'm so very sorry that I couldn't do more than make you laugh awhile , hug you and tell you how very much I love you. Rest In Heaven Uncle Billy. I will forever love and miss you until we see each other again on the streets of Gold with our Lord and Savior.

“ My best memory of Billy is when I go out the shrimp boat with him to work and had gotten really sea sick because we were in really rough seas and one of the out riggers broke and put a hole in the boat and we were sinking he comes and says son get up we have to go well I'm so sick I tell him no leave me alone and he tells me I'm not losing you on my watch and picks me up and totes me out to the deck to where we had to get on the coast guard boat Billy literally saved my life and for that and thousands of other things he did and taught me I will forever be grateful Rip Billy ❤️❤️
