“ As Craig's Pastor at St Mark, although for a very brief time, I knew. I could count on his faithfulness to whatever task he was involved. He was the church's sound man, contributed very capable to The Finance Committee, Helping members recycle, and driving The Church Van to help members attend services. May He rest in Peace with The Sweet Consolations of God's Holy Spirit surrounding him in all eternity....may his loved ones know God's strength during their time of grief.

“ His passion for a beautiful Mobile is now his legacy. Drive down University Boulevard to see the ribbon of blooming crepe Myrtle’s lining the streets on both sides separated only by the beautifully planted median. He planned and planted many years ago with his friends and admirers from Keep Mobile Beautiful and USA. I am humbled to have been one of those friends and the top admirer of his specialness. Blessings on his always faithful and beautiful daughter , Hannah and his best pal, Bob Haskins.

I first knew Craig as a student in medical technology at USA, and then as a co-worker in the labs.. His sense of humor, his sense of integrity, and his intellect were long suits. While I did not see him often afetr I left Mobile, he was always welcoming when I crossed his path. I shall mis him. Peter B Mockridge
