My heart goes out to you for your loss. My team here at Siemens worked with Woody for years. He was a professional at handling customers, and he was a friend to all of my team. I'm sure that he gave all that he had to his family- we were blessed to know him and work with him.*

“ I will miss my Twin Brother Woody terribly, but have my memories growing up with him side by side. To Barbara, Lindsay, Kristin, Kelly and the immediate family & friends, I thank you for all your love and support during my Brother's Cancer Battle, he remained as strong as he could because of your support and kindness and I truly recognize he fought as long and hard as he could to remain with the love of his life Barbara, his step-daughters, grandchildren, and extended family. I always ended my calls with my Brother Woody with stating until Valhalla, I love you and we will be reunited ! Thank you for being my Twin for 59 years on this earthly plain. Rest easy Woody 🙏😊
My Respects to all the family & friends.

“ *Barbara, My heart is so sad for you and William. I never had the honor of meeting your husband but thru you and our many years of friendship I feel like I know him a little bit. He left this world way to soon. God must have a wonderful plan for him. You're always in my thoughts and prayers. 🙏❤️*

You have had more than your share of tragedies Barbara. My deepest condolences to your entire family.

Love Chrissy
