“ You were my best friend. When I moved out, I still came over every day. We would call 80 times a day. I just wish I could hear ur voice again. Daddy it's hard being here without you. Me and will just spend hours reminiscing on the great memories we shared, we put together a room for you. Can't wait to have you home. You'll be in my home and urs. And I'm getting a ring of ur birthstone. Thank u for teaching me the ways of the world and for showing me what unconditional love is. ❤️

“ *The 9 months I lived with my uncle Shane and will is a time I'll never forget. They both helped through a hard time in my life and I'm grateful for them both. So thankful I got all that time with my uncle. I'll always remember our rides to and from work, our long nights closing the store. I'll always remember everything there is to him. He was such a wonderful man. He will truly be missed!*
